Residents

Due to a water main break at 145th Torrence early this morning, and the work being done in your area, the Burnham Water Department is issuing a temporary boil order for drinking and cooking water in your home. Water should be brought to a rolling boil for one (1) minute to kill all disease-causing organisms.

We will notify you via a printed flyer when the boil order is lifted.

We apologize for the inconvenience and thank you for your cooperation.

Sincerely

Burnham Water Department
