

VILLAGE OF BURNHAM
14450 S. Manistee Avenue
Burnham, Illinois 60633
Robert E. Polk, Mayor

March, 2022

Dear Residents

The Village of Burnham appreciates our new residents and new property owners. Burnham residents, let's extend a warm welcome to our new neighbors with a smile and a friendly Hello.

Public Works will plow curb to curb, **if the vehicles are moved**. Please we are asking our residents to observe the following – **Snow Tips**:

- **Remove all inoperable vehicles from the streets**
- Do not shovel snow onto the streets
- Do not clear your driveway until **after** the snowplow has plowed in front of your residence
- No items are to be placed on the street to “reserve” a parking area (i.e.chairs, buckets, etc.)

Let's be mindful of our residents, especially our seniors, handicapped, and homebound residents who live alone. The winter and snow can be challenging. Neighbors, please offer to assist them with snow removal. Hopefully, this will help in case they have doctor visits, etc.

It is very important in the event of an emergency the fire hydrants are visible and accessible. If you have a fire hydrant on your parkway or nearby, please clear the snow around the fire hydrant.

Cook County Health COVID-19 Program offers in-home vaccinations. Sign-up on their website: <https://vaccine.cookcountyil.gov> – at the top right of the website- click on **In Home Vaccination** or call the Vaccine Sign-Up Hotline: **833-308-1988** M-F 7am-6pm & Sat 7am-4pm CT.

Seasons Community Outreach Services will be at the Community Center 14020 S. Torrence Avenue, on Saturday, March 19, 2022 from 10:00 am to 3:00 pm to offer FREE vaccinations and boosters. Minors must be accompanied by an adult. No registration needed and rides are available.

CEDA is now offering the Low Income Home Water Assistance Program (LIWAP). This program offers assistance with water and wastewater bills. CEDA also offers Low Income Energy Assistance Programs (LIEAP) to assist with your energy bills. Seasons Community Outreach Services is a CEDA Partner Intake Site and can assist you - for more information call 708-331-8875.

Pet owners, as a responsible pet owner, clean up after your pet and your pet needs to be vaccinated, with a Pet Tag. Pets outside your property should be on a leash.

Let us work together to keep our Village and families safe. **If you see something, say something.** DIAL 911 – if a crime is in progress – if someone's health, safety, or property is in immediate danger, otherwise dial 708-891-2122 Non-Emergency.

Respectfully

Robert E. Polk
Mayor, Village of Burnham
