### ***Village of Burnham – Torrence Avenue Multi-Use Path***

***\*\* For Immediate release \*\****

The Village of Burnham is pleased to announce that it has awarded a contract to D Construction, Inc. for the construction of a Hot-Mix Asphalt (HMA) Multi-Use Path located between Torrence Ave, Hoxie Ave, 145<sup>th</sup> St and 143<sup>rd</sup> St. The Village of Burnham is a recipient of the Invest in Cook Grant sponsored by The Cook County Department of Transportation and Highways and has allocated all the funds to be used for the construction of this project.

The Mayor and Village Board approved the path design, completed by Robinson Engineering Ltd., a few months back. The multi-use path will include two different access points from the existing alley located between Hoxie Ave and Torrence Ave., a third access/connection point is expected to be constructed in the future that will connect the multi-use path to the Dolton, Cal City & Burnham Cal-Sag Trail extension. The multi-use path is approximately 1,650 feet in length and features a 0.25-mile loop for continuous recreational activities such as walking, running, and biking. Construction is expected to begin Fall of 2022 with completion of the project in Spring of 2023. The new multi-use path is expected to be a place for Village residents to enjoy and continue to come together as a community.

The Village of Burnham would like to extend an invitation to the public for a groundbreaking ceremony to celebrate the start of construction for this project. The groundbreaking will take place on Friday November 4<sup>th</sup>, 2022, at 12:00 PM.
